**Azienda Riccardo**  
at an exclusive tasting at Gastronomica

introduced by sommelier Dario Oliveri.

**Thursday 15<sup>th</sup> April, 6.30 – 8pm**

The Fornasier family have been growing grapes since 1800.  
After returning from the First World War, grandfather Giuseppe  
started wine production, and with his sons marketed their wines  
from 1918 until 1950.

The Prosecco is named in memory of Riccardo Fornasier, father  
of the current owner.

Azienda Agricola Riccardo has chosen to apply the FOOD  
CHAIN TRACEABILITY STANDARD to every stage of the  
production process, from cultivation to labelling, to  
demonstrate its commitment to the environment, and create  
trust and confidence in the consumers of its production.

**Prosecco DOC Treviso Spumante Brut  
Prosecco DOCG Superiore Spumante Extra Dry  
Cartizze DOCG Superiore Spumante Extra Dry, 2008**

The wines will be available to buy by the bottle or case.

Please let us know if you would like to come, as we expect space will be  
limited.
